Wei I-san Preparing Defences At Paotingfu Against Possible Shansi Drive; Kalgan Fears Pillaging By Tan Ching-ling

Luo Wen

Reports from Tientsin speak of the gradual restoration of peace and order in that city after the chaos following upon the evacuation of the Kuominchun and the occupation of the area by General Li Ching-lin's troops. General Li was due to arrive there Tuesday evening but up to a late hour he had not arrived. Early in the afternoon two armoured cars carrying several hundred White Russians arrived at Tientsin Central but they were at once sent to Peitsang.

Up to Tuesday no Fengtien troops had arrived in Tientsin from the Tongshan direction. It is understood that this is due to the instructions which Marshal Chang has given to his men that they should not advance beyond Chunliangchen.

In the Hopei District, Li's men in plain clothes are doing policing duty.

General Chang Tsung-chang, Tupan of Shantung, is said to be proceeding to Tientsin.

A messenger who arrived in Peking from Paoting yesterday morning informed the Kuominchun Headquarters here that General Wei I-san had concentrated at Paotingfu all of his troops formerly stationed at Tinghsien, which is now in the hands of Shansi troops under General Shang Chen. General Wei has prepared three defence lines against a possible Shansi drive northward.

The troops of the 5th Kuominchun, under General Feng Chenwu, are now at Chibsien and Changteng, 120 li south of Paotingfu, but it has been decided that they shall withdraw to the eastward.

Kalgan residents have recently been perturbed by rumours that General Tan Ching-ling, formerly Military Commander at Kalgan, has been pillaging villages and towns in the Chahar district and is likely to attack Kalgan. The Kuominchun forces there are therefore preparing for any emergency. General Tan's troops were incorporated in Marshal Feng's army some time ago as the 16th Cavalry Brigade but he has old affiliations with Marshal Wu Pei-fu.
